Welcome to Wigan Beer Week

Welcome to the very first Wigan Beer Week which has been planned to coincide with Cask Marque's National Cask Ale Week.

Wigan Beer Week aims to promote and celebrate the thriving real ale and craft beer scene in Wigan and surrounding areas. As such, the Wigan Branch of the Campaign for Real Ale (CAMRA) is proud to endorse and support Wigan Beer Week. For such a relatively small town, there are no fewer than eight local breweries (with two more in the pipeline) and over 130 pubs serving quality real ale that deserve your support throughout the year. Twenty of these pubs are listed in the recently published CAMRA Good Beer Guide 2020 – why not start your Christmas shopping early and purchase an advance copy at the CAMRA stand at Food Fest on the Square on the 21st?

Real ale is a rich and integral part of Britain's heritage which should be rightly celebrated. Over 40 events have been planned during Wigan Beer Week. However, not all events are focused on beer related activities – why not enjoy an exhibition of local artists in a brewery; anybody for Beer Yoga?; Wigan-themed quiz nights; learn about the rich heritage of a recently re-opened and much-loved pub in Wigan. Hopefully there'll be something for everyone.

Enjoy the eleven days of fun and festivities.

Sandy Motteram

Chair, Wigan CAMRA Branch
